

Yusurika 064

Date

2014 (printed 2018)

Primary Maker

Yoshinori Mizutani

Medium

Archival inkjet print

Description

Yoshinori Mizutani's photographic work explores expressive possibilities that mix the traditions of diaristic and street photography with a conceptual practice. With his bright flash and distinct color palette, Mizutani's print, *Yusurika 064* (2014), captures the natural beauty of a bird in flight through the trees. (SOURCE: Light Work, Syracuse, NY)
