

Spoon

Date

c. 1850-1900

Primary Maker

Unknown artist

Medium

Mountain goat horn

Description

Horn spoon; handle carved with seated figure and bowl incised with diamond pattern. The asymmetrical carving on the handle of this spoon is an unusual feature. The seated figure appears to be holding a cooping tong in its right hand while the left hand clasps the left knee. The inside bottom of the bowl is decorated with an incised, elongated diamond pattern.

Dimensions

Overall (at widest): 7 1/4 x 2 5/8 in. (18.4 x 6.7 cm) Overall (at narrowest): 7 1/4 x 1/4 in. (18.4 x 0.6 cm)
